英文自我介绍：

Yes,this is LiYao.　Hello interviewer

It is my great honor to have this opportunity for your interview.

I hope i can make a good performance today.

Let me introduce myself first.

My name is LiYao,26 years old,born in ShanXi province.I am from Tianjin University and i will receive my Master degree after my graduation in January next year.My major is Computer science and technology. In terms of learning ,I spend a of time on my project.In my spare time,i also have a lot of hobbies.Such as swimming，fitness，play basketball。By the way,My favorite player is Kobe。

The position I am applying for is MES Software Engineer.

This is a brief introduction about me.You can ask some questions about me.

Why do you apply for Hisense?

My experience is very rich about Smart factory.In the two years after graduating from an undergraduate, I worked for a company of the same type. I have experienced a lot of smart factory projects. I found that my own knowledge of software is not enough, so I came to Tianjin University to study software. At the moment when I am going to graduate, I especially hope to find a company as good as Hisense, so that I can make the most of my talents.

Say sth about your major?

My major is Computer science and technology, and the courses I study include Internet of Things, virtualization and cloud computing, databases, software architecture, computer networks, artificial intelligence, software engineering, and software testing.

After graduation, I believe that I can quickly join the work based on these courses.

Say sth about your hometown?

l'm very glad to talk about my hometown.

My hometown is LinFeng, ShanXi Province.It is located in the south of the ShanXi Province, .It is a very beautiful city.

people here are all kind-hearted and honest, They grow crops by a pair of their hands.There also many beautiful scenery. Every September, a lot of apples will be produced. If there is a chance, I must let everyone(you) taste the apples in my hometown.
